DURHAM, WEST RIDING, CONTROVERTED ELECTION.

*In the High Court of Justice for Ontario.*

THE DOMINION CONTROVERTED ELECTIONS ACT.

Election of a Member for the House of Commons of Canada for the Electoral District of West Durham, holden on the 31st day of October, A.D. 1900, and the 7th day of November, A.D. 1900.

Between

CHARLES BURNHAM

*Petitioner ;*

and

CHARLES JONAS THORNTON and

THOMAS BINGHAM,

*Respondents.*

To the Honourable

The Speaker of the House of Commons of Canada.

We, the Honourable William Glenholme Falconbridge, Chief Justice of the King's Bench of the Province of Ontario, and the Honourable William Purvis Rochfort Street, one of the Justices thereof, do hereby certify that the Petitioner, Charles Burnham, an Elector of the said Electoral District of West Durham, by his Petition herein alleged that the Respondent, Thomas Bingham, was the Returning Officer at the said Election, and that one Robert Beith, not a party to the said Petition, was the only Candidate duly nominated thereat ; that the Respondent, Charles Jonas Thornton claimed to be a Candidate thereat, but that by reason of his not having complied with the Statute, his nomination as a Candidate was void and of no effect ; that the said Respondent, Thomas Bingham, notwithstanding that the said Robert Beith was the only Candidate duly nominated as aforesaid, and was therefore entitled to be returned as having been elected had refused to return him as elected, and had not returned either the said Robert Beith or the said Charles Jonas Thornton as having been elected, and the Petitioner therefore prayed that the said Respondent, Thomas Bingham, might be ordered to return the said Robert Beith as having been elected or that he might be declared to have been so elected. In the alternative the Petitioner alleged that the Respondent, Charles Jonas Thornton, was not entitled to be declared to have been elected, even though it should be found that he had been duly nominated and had received a majority of the votes cast at the said Election, because the said Respondent, Charles Jonas Thornton, had been guilty by himself and his agents of corrupt practices at the said Election, whereby the said Election of the said Charles Jonas Thornton was in any event void.

The said Petition, by reason of certain preliminary objections and an appeal thereon to the Supreme Court of Canada, was never at issue until the Tenth day of May, A.D. 1901, and was tried before us at the Town of Cobourg, on the 7th and 8th days of June, 1901, whereupon having heard the evidence adduced, and the Petitioner having abandoned his claim to have the said Robert Beith declared to have been elected, we determined and adjudged that William L. Gerrie, an agent of the said Respondent, Charles Jonas Thornton, at the said Election had been guilty of corrupt practices at

the said Election, but without the knowledge or consent of the said Charles Jonas Thornton; whereupon the said Charles Jonas Thornton abandoned his claim to be declared to have been elected.

We further certify and report as follows :—

That no corrupt practice was proved to have been committed by, or with the knowledge and consent of, either of the Candidates at the said Election;

That the only person who has been proved at the trial to have been guilty of any corrupt practice is William L. Gerrie, of the Township of Clark, in the County of Durham;

That we have no reason to believe that corrupt practices extensively prevailed at the said Election;

That we have no reason to believe, beyond the fact that certain charges of bribery set forth in the particulars attached to the said Petition were not investigated before us, that the enquiry into the circumstances of the said Election has been rendered incomplete by the action of any of the parties to the Petition; and we are not of opinion that further enquiry is desirable as to whether corrupt practices have extensively prevailed at the Election.

And we further report that at the said Election neither the said Charles Jonas Thornton nor the said Robert Beith was returned as elected, and that the said election was and is void.

We append a copy of the notes of the evidence taken upon the trial of the said Petition.

THE DOMINION CONTROVERTED ELECTIONS ACT.

Election of a Member for the House of Commons of Canada for the Electoral District of West Durham, holden on the 31st day of October, A.D. 1900, and the 7th day of November, A.D. 1900.

CHARLES JONAS THORNTON,

*Petitioner;*

and

THOMAS BINGHAM,

*Respondent;*

To the Honourable

The Speaker of the House of Commons of Canada.

We, the Honourable William Glenholme Falconbridge, Chief Justice of the King's Bench of the Province of Ontario, and the Honourable William Purvis Rochfort Street, one of the Justices thereof, do hereby certify that the Petitioner, Charles Jonas Thornton, by his Petition herein alleged that at the above mentioned Election, he and one Robert Beith, who was not made a party to the said Petition, were Candidates; that he, the said Petitioner, had received the majority of the votes cast at the said Election, but that the Respondent, Thomas Bingham, who was the Returning Officer, had refused to return him, the said Petitioner, as having been elected; and that the said Respondent had not returned either of the said Candidates as having been elected. The Petitioner

prayed that the Respondent might be ordered to declare him, the said Petitioner, as having been duly elected. We further certify that the said Petition being at issue on the 9th day of February, A.D. 1901, and being the only Petition then at issue with regard to the said Election, was brought on for hearing before us on that day at the Court House at the Town of Cobourg, and the evidence on behalf of the Petitioner and Respondent, as well as for one Thomas J. McMurtry, an Elector of the said Electoral Division applying to be added as a party respondent was taken, and judgment was afterwards delivered by us that the said Petition should be dismissed.

We append hereto a copy of the notes of the evidence.

No corrupt practices were charged in the said Petition.

*Respondent.*

To His Honour

The Speaker of the House of Commons,  
Ottawa.

We, the undersigned, William Henry Tuck, Chief Justice, and Daniel Lionel Hanington, Puisne Judge, of the Supreme Court of the Province of New Brunswick, do hereby certify that at the trial of an Election Petition, held at Fredericton, in the County of York, on the third day of June, instant, complaining of the undue return of the Respondent (Alexander Gibson, Junior), after certain preliminaries, the Respondent's Counsel admitted corrupt practices by agents of the Respondent sufficient to void the election, and the Petitioner, being called upon, and offering no evidence, we determined that Alexander Gibson, Junior, Member for the Electoral District of York was not duly elected, and that his election was void.

## LISGAR CONTROVERTED ELECTION.

In the Matter of the Election of a Member of the House of Commons of Canada for the Electoral District of Lisgar, in the Province of Manitoba.

We, the Honourable Albert Clements Killam, Chief Justice of Manitoba, and the Honourable Joseph Dubuc, one of the Justices of His Majesty's Court of King's Bench for Manitoba, beg to report as follows :—

1. On the 19th day of June, A.D. 1901, at the Village of Carman, in the Electoral District of Lisgar, in the Province of Manitoba, there came before us for trial, pursuant

to the Dominion Controverted Elections Act, and Amendments, a Petition complaining of the undue Election of Robert Lorne Richardson, at an Election held on the 31st day of October, and the 7th day of November, A.D. 1900, as Member of the House of Commons of Canada, by which Petition it was charged that corrupt practices had been committed at the said Election by the said Robert Lorne Richardson and his agents.

2. The trial of the said Petition was continued before us on the 20th and 21st days of June last, when we adjourned the same to the Village of Manitou, in the said Electoral District, to be resumed on the 8th day of July, A.D. 1901. At the said last mentioned day the said trial was resumed before us, and it was continued on the 9th, 10th and 11th days of July, when we reserved our decision upon the matters of the said Petition.

3. And having considered the same, we did on the 20th day of July, at the City of Winnipeg, in the said Province, determine that the said Robert Lorne Richardson was not duly elected at the Election aforesaid, and that the said Election was void.

4. That no corrupt practice was proved to have been committed by or with the knowledge and consent of the said Robert Lorne Richardson at such election.

5. That the following persons were proved at the said trial to have been guilty of corrupt practices, that is to say :—

Frank Williams, of Carman ;

John Henry Ferguson, of Carman ;

John Squires, of Carman ;

James Brown, of Township 6, Range 3 West ;

William Kilpatrick and George Bruce, of the same Township ;

Vaste Le Beau, Méderic Durocher, Jean Baptiste Forget, Moïse Landry, Elie

Trottier, Eustache Lafrenière, all of the Electoral District of Lisgar ; and

Jehan DeFroment, of Notre Dame de Lourdes, all in Manitoba.

6. That we have no reason to believe that corrupt practices have extensively prevailed at the Election.

7. That we are not of opinion that the enquiry into the circumstances of the Election has been rendered incomplete by the action of any of the parties to the Petition, and that no further enquiry, as to whether corrupt practices have extensively prevailed, is desirable.

We append hereto a copy of the notes of evidence taken at the said trial.

All of which is respectfully submitted.

To the Honourable

The Speaker of the House of Commons,

Ottawa.

The undersigned, two of the Justices of the High Court of Justice for Ontario, do hereby certify that on the 21st day of September, 1901, at the Town of Cornwall, in the said Electoral District, we held a Court for the trial of, and there tried the Petition between the said parties respecting the above Election.

1. At the said Court, Counsel appeared for the said Petitioner, and stated that he was not prepared to offer any evidence in support of said Petition, and no evidence was in fact offered in respect of the same.

We therefore held and determined that the said Robert A. Pringle, the Member whose Election and return were complained of by the said Petition, was duly elected and returned, and Counsel for the Respondent consenting thereto, we dismissed the said Petition without costs.

In the said Petition charges were made that corrupt practices had been committed at the said Election, but no evidence whatever having been given at the said trial, we report that no corrupt practice was proven before us to have been committed by or with the knowledge and consent of either of the Candidates at the said Election.

2. We have no means of forming a belief whether corrupt practices have or have not extensively prevailed at the said Election.

3. We have no reason to believe that the enquiry into the circumstances of the Election has been rendered incomplete by the action of any of the parties to the said Petition, or that further enquiry as to whether corrupt practices have extensively prevailed is desirable.

To the Honourable

The Speaker of the House of Commons of Canada.

We, the Honourable Thomas Ferguson and the Honourable William Purvis Rochford Street, Justices of the High Court of Justice for Ontario, do certify that pursuant to the Dominion Controverted Elections Act on the 21st day of September, 1901, we held a Court at the Town of Whitby, in the County of Ontario, for the trial of the Election Petition between the above parties respecting the said Election, at which the said William Ross had been returned as duly elected.

That no evidence having been offered in support of said Petition, we determined and adjudged that the said William Ross was duly returned and elected at the said Election and dismissed the said Petition.

That no evidence having been offered as aforesaid, a corrupt practice has not been proved to have been committed by or with the knowledge or consent of any Candidate at the said Election, and because no evidence was offered as aforesaid, we are unable to say whether there is or is not reason to believe corrupt practices extensively prevailed at the said Election.

That we have no reason to believe, beyond the fact of no evidence having been offered in support of the said Petition, that the enquiry into the circumstances of the said Election has been rendered incomplete by the action of any of the parties to the Petition, and we are not of opinion that further enquiry as to whether corrupt practices have extensively prevailed at the said Election is desirable.

Ordered, That Sir Wilfrid Laurier have leave to bring in a Bill respecting the administration of Oaths of Office.

He accordingly presented the said Bill to the House, and the same was received and read the first time.

Mr. Speaker reported, That when The House did attend His Excellency the Governor General, this day in the Senate Chamber, His Excellency was pleased to make a Speech to both Houses of Parliament, of which Mr. Speaker said he had, to prevent mistakes, obtained a copy which he read to The House, as followeth:—

*Honourable Gentlemen of the Senate:**Gentlemen of the House of Commons:*

In meeting you again at the commencement of another Session of Parliament; it is my first duty to express the deep sense of our gratitude to Divine Providence for the many blessings which Canada has received during the past year, and particularly for the exceptionally bountiful harvest in Manitoba and the North-west Territories.

It was very gratifying to note the cordial reception tendered by all classes of the people, to the Prince and Princess of Wales, on the occasion of their visit in September and October last, the only regrettable feature being the limited time at their disposal, which prevented their visiting many important centres of population. It is however a great satisfaction to know that their Royal Highnesses enjoyed their tour through Canada, and carried away the most pleasant recollections of their visit to this part of the Empire.

The assassination of President McKinley has elicited a universal feeling of sympathy and sorrow throughout the civilized world, and though Canada has happily so far been free from crimes of this character, the close proximity to the United States may make it advisable to join our efforts to the efforts of the United States and other nations, and to provide by legislation for the adequate punishment of those who, either by speech or writing, incite fanatics to the perpetration of such horrible crimes.

The returns of the late Census will be laid before you, and while the absolute increase in the number of population is not so great as might have been expected, the evidences of growth in wealth and in the general tokens of prosperous development are highly satisfactory. There is good reason also to believe that the increase of population during the latter half of the decade has been very greatly in excess of the average of former years, and that in the near future, we may look for a much more rapid growth than occurred during the period covered by the last two censuses.

Application having been made by the Canadian Pacific Railway Company for approval of an increase of its capital, to meet the demand for additional rolling stock and other improved facilities, for handling the growing traffic, my Ministers availed themselves of the opportunity to stipulate that the long pending question of the power of the Governor in Council to regulate the tolls of the Company should be submitted to the Courts for a judicial decision. The correspondence and other papers will be laid before you.

The inventor, Mr. Marconi, having met unexpected obstacles to the carrying on of his experiments in wireless ocean telegraphy in a sister colony, my Ministers deemed it expedient to invite him to continue his operations on the coast of Nova Scotia, and they availed themselves of his presence in Canada to enter into negotiations resulting in an arrangement through which, should the project prove as successful as is hoped for, the Government and people of Canada will enjoy the benefits of the invention on very favourable terms, including rates for transatlantic messages very much below those now existing.

I am pleased to inform you that the display made by Canada of her products, at the several expositions at which they have been exhibited during the last year, has attracted much attention, and has already resulted in many enquiries and orders for our goods.

I may also congratulate you on the satisfactory condition of the revenue and on the steady and continuous expansion of the general business of the country as evidenced by the increased volume of exports and imports.

With the view of still further facilitating and developing our trade with other countries, it will probably be found expedient to increase the number of our commercial agencies, and Parliament will be asked to consider the desirability of making additional provision for that purpose.

I have also pleasure in informing you that the Governments of Australia and New Zealand have accepted an invitation from my Government to attend a conference in London next June for the consideration of trade, transportation, cable and other matters of intercolonial concern, and it is hoped that the meeting may lead to an extension of Canadian Trade with those important portions of His Majesty's Dominions.

I have further to advise you that my Government, having caused enquiry to be made, has reached the conclusion that the establishment of direct steamship service with South Africa would enable Canada to secure in that country a profitable market for her varied products, and, to that end, will endeavour to arrange for such a service.

His Majesty has been graciously pleased to invite the Premier to be present at the ceremonies attending his Coronation. It is to be hoped that the presence of the leading statesmen of the several colonies upon this occasion, will afford an opportunity for the discussion of subjects of mutual interests which may considerably affect the development of our trade and commerce in the near future, with the mother country and with our sister colonies.

*Gentlemen of the House of Commons :*

The Public Accounts for the last year and the Estimates for the succeeding year will be laid before you without delay.

*Honourable Gentlemen of the Senate :*

*Gentlemen of the House of Commons :*

I commit the above matters and all others which may be submitted to you, to your earnest consideration, and I rely upon your wisdom and prudence to deal with them in the manner which, under Divine Providence, may prove most conducive to the best interests of Canada.

On motion of Sir Wilfrid Laurier, seconded by Sir Richard J. Cartwright,

Ordered, That the Speech of His Excellency the Governor General to both houses of Parliament of the Dominion of Canada, be taken into consideration To-morrow.

On motion of Sir Wilfrid Laurier, seconded by Sir Richard J. Cartwright,

On Agriculture and Colonization,—which said Committees shall severally be empowered to examine and enquire into all such matters and things as may be referred to them by the House ; and to report from time to time their observations and opinions thereon ; with power to send for persons, papers and records.

#### BEAUHARNOIS CONTROVERTED ELECTION.

*In the Supreme Court of Canada.*

THURSDAY, the Twentieth day of February, A.D., 1902.

*Present :*

The Right Honourable Sir HENRY STRONG, Knight, Chief Justice.

The Honourable Mr. Justice SEDGEWICK.

The Honourable Mr. Justice GIROUARD.

The Honourable Mr. Justice DAVIES.

The Honourable Mr. Justice MILLS.

#### THE DOMINION CONTROVERTED ELECTIONS ACT AND AMENDMENTS.

In the matter of the Election of a Member of the House of Commons of Canada for the Electoral District of Beauharnois, held on the 31st of October and 7th of November, 1900, being respectively, Nomination and Polling days.

Between

GEORGE M. LOY,

(Respondent) Appellant ;

and

JOSEPH EMERY POIRIER,

(Petitioner) Respondent.

The appeal of the above named Appellant from the judgment or order of the Honourable Mr. Justice Belanger, bearing date the Eighteenth day of November, in the year of Our Lord One thousand nine hundred and one, upon an application to interpret the judgment or order made by him on the Twenty-fifth day of May in the year of Our Lord One thousand nine hundred and one, which first mentioned judgment or order is as follows, to wit :

(*Translation.*)

"The Court having heard the party Petitioner through his Counsel on his motion presented this day ; the Defendant and his attorney called, not having appeared in the same, and the said motion demanding :

"1. Whereas, the commencement of the instruction in the present cause had been fixed, by judgment of this Honourable Court, rendered on the 25th May, 1901, for the 30th juridical day following the judgment on the appeal from the judgment dismissing the Defendant's preliminary objections.

"2. Whereas, judgment had been rendered by the said Supreme Court of Canada, the 29th October last, confirming the judgment of the Court of first instance.

"3. Whereas, serious doubts have arisen in regard to the exact date on which the commencement of the instruction would take place, namely, whether it would be the 28th instant or the 6th December next, and that it is important to have the same removed.

"It pleases this Honourable Court, which delivered the said decision of the 25th May, 1901, to so interpret the said judgment as to determine the exact date on which the instruction in this cause should commence, costs reserved : considering that the tribunal, in rendering the said judgment of the 25th of May, 1901, would only sit during the twenty-nine intervening days between the pronouncement of the judgment of the Supreme Court and the 30th juridical day fixed for the commencement of the instruction in this cause should be juridical days, that is to say, in order to reach the 30th juridical day after the judgment of the Supreme Court, all the non-juridical days must be taken out ; that the result of such operation makes the 30th juridical day after the judgment of the Supreme Court fall upon and effectively be the 6th December next ; and the Court declares it to have been its intention in fixing, as aforesaid, the 30th juridical day for the commencement of the said proceedings.

"Grants, in consequence, the said motion, costs reserved."

And the appeal of the above named Appellant from the Order made by the Honourable Mr. Justice Belanger and the Honourable Mr. Justice Pagnuelo, sitting for the trial of the Election Petition in the above matter and rendered in the said cause on the Sixth day of December, in the year of Our Lord, One thousand nine hundred and one, upon a motion for peremption, said last mentioned order being as follows, to wit :

(*Translation.*)

"The Court, having heard the parties on the Defendant's motion that the Election Petition in this cause be declared perempted and having examined the proceedings :

"Considering that the interlocutory judgment of the 25th May, 1901, adjudging the commencement of the instruction of the Election Petition in this cause, for the 30th juridical day after the judgment above, to be rendered by the Supreme Court of Canada on the interjected and then pendant appeal could be interpreted by the judge who rendered the same, as it had been by his interlocutory (judgment) of the 18th November last ; that such interpretation is final ; that the notices were given for the 6th December, instant, in conformity with this latter interlocutory, and that the cause is regularly fixed for that day ;

"Dismisses the said motion with costs.

"(Signed) L. BELANGER, J.S.C.

"(Signed) S. PAGNUELO, J.S.C."

And the appeal of the above named Appellant from the judgment of the said Honourable Mr. Justice Belanger and the Honourable Mr. Justice Pagnuelo, sitting for the trial of the Election Petition in the above matter rendered in the said cause on the 6th day of December in the year of Our Lord One thousand nine hundred and one, declaring the election null and of no effect upon the merits, said last mentioned judgment being as follows, to wit:

(*Translation.*)

"The Court having heard the said Petitioner and the said Defendant, on the merits of the Election Petition in this cause, having seen and examined the said Election Petition, the answer thereto and the admission produced this day by the said Defendant:

"Considering that in his said Election Petition the said Petitioner alleges:—

"1. That an Election of a Member of the House of Commons of Canada, for the Electoral District of Beauharnois, in the Judicial District of Beauharnois, by virtue of the law took place in the said Electoral District during the course of the month of November, 1900, and that the presentation of candidates had been fixed for the 31st October, 1900, and took place upon that day, at Beauharnois, in the said Electoral District of Beauharnois, in the said Judicial District, and that the voting took place in the said Electoral District, on the Seventh day of November, 1900;

"2. That the said George M. Loy and Joseph Gid on Horace Bergeron, Advocate of the Parish of St. Clement, in the said Electoral District of Beauharnois, presented themselves as candidates and were nominated as candidates in the said Election, and that the Returning Officer for such Election, had declared as elected Member of the House of Commons of Canada, for the Electoral District of Beauharnois, the said George M. Loy, and had made his return in consequence, to the Clerk of the Crown in Chancery for Canada, who published the notice of the said Election in the Official Gazette of Canada, the 24th November, 1900, in conformity with the law;

"Considering that by his said Petition the said Petitioner alleges, furthermore that the Defendant had, before, during, and after the said Election, directly, or indirectly, by himself, by his agents, or his agent, and by means of other persons, on his behalf, committed all and every one of the acts of corruption defined and forbidden by the law, which acts of corruption are specially and separately mentioned in the said Petition;

"Considering that the conclusions of the said Election Petition are to the effect that it be declared that the said Defendant, George M. Loy, rendered himself guilty in the said Election, both of himself and by his authorized agents, by his partisans and friends with his consent and positive knowledge, before, during, and after said Election, of fraudulent practices and machinations, forbidden by law, and that the said Election had been vitiated by fraudulent machinations practised before, during and after the same by the Defendant, by his agents and by his friends; that the said Election of Defendant was irregular, illegal and null, and the return of said Defendant as Member to the House of Commons of Canada for the Electoral District of Beauharnois, had been irregular, illegal and null; and that the said Election be annulled and declared null, and that the return concerning the said Election made by the Returning Officer be annulled and declared null and irregular, and that it be furthermore declared that the said Defendant has not the right to sit in the said House of Commons of Canada, and that it be declared that he cannot, during the time fixed by law, be elected, nor sit in the House of Commons of Canada, nor vote at an Election of a Member for the said House, nor occupy any position to which appointment is made by the Crown, or the Governor General of Canada, and that all persons as may be found to have been guilty of fraudulent practices in the said Election be declared, by the Court, guilty of such fraudulent practices, and that it be adjudged that such persons cannot, during the term fixed by the law, either be elected, nor sit in the House of Commons of Canada, nor occupy any position in the appointment of the Crown, or of the Governor General of Canada, with costs against the Defendant;

"Considering that the said Defendant made answer to the said Election Petition by denying all the allegations therein;

"Considering that this day being the one fixed to proceed with the instruction on the said Election Petition, the said Defendant has produced in the present cause written admissions which read as follows :—

"The Defendant, in order to avoid costs, admits :—

"1. Paragraphs 1 and 2 of the Election Petition in this cause.

"2. That fraudulent practices sufficient to annul the Election held on the 31st October and 7th November, to wit, the Election to which the Election Petition in this cause refers, had been committed by his agents, without his knowledge, and without his consent, and whereof he prays act.

"Beauharnois, 6th December, 1901.

"GEORGE M. LOY,

"*Defendant,*

"L. J. PAPINEAU,

"*Attorney for Defendant.*"

"Considering that the Petitioner, by his Attorney, J. G. Laurendeau, declared to have accepted the said admissions, and to confine himself to the evidence resulting from said admissions ;

"Considering that the said admissions constitute a legal proof of fraudulent practices sufficient to annul the said Election ;

"Considering that the Petitioner did not prove that the Defendant had been personally guilty of any of the fraudulent practises attributed to him by the said Petition ; and that there is no more any evidence to show that any one person was particularly guilty of any such fraudulent practices ;

"Grants Act to the said Defendant of his said admissions ;

"Maintains the said Election Petition only in as far as the annulling of the said Election is demanded by the said Election Petition, and dismisses it for the surplus of the conclusions therein ;

"Declares the said Election of the said Defendant, as Member of the House of Commons of Canada, for the Electoral District of Beauharnois, and the return of the same made by the said Returning Officer, illegal, null, and of no effect, and, in as far as is required, annuls and destroys it for all legal purposes ; the whole with costs against the said Defendant, distracts to Mr. J. G. Laurendeau, Attorney for the said Petitioner.

"(Signed) L. BELANGER, J.S.C.

"(Signed) S. PAGNUELO, J.S.C."

All having come to be heard before this Court on the Eighteenth day of February in the year of Our Lord One thousand nine hundred and two in the presence of Counsel, as well for the Appellant as the Respondent, whereupon and upon hearing what was alleged by Counsel aforesaid, this Court was pleased to direct that the said Appeal should stand over for judgment, and the same coming on this day for judgment, this court did order, adjudge and determine that the said appeals to this Court should be and the same were dismissed with costs to be paid by the said Appellant to the said Respondent, the said judgment and decision upon the merits of the Judges who sat for the trial of the above named Election Petition being thereby confirmed.

And this Court did further order and adjudge that the costs of the said Respondent are to be paid out to the said Respondent out of the sum of Three hundred dollars deposited by the said Appellant as security for costs of such appeal, and that the balance of the said sum of Three hundred dollars, be paid out to the said Appellant.

And this Court did further order and adjudge that the Registrar of the Court do transmit to the Prothonotary of the Superior Court for the District of Beauharnois the original Record in this matter.

“MAY IT PLEASE YOUR EXCELLENCY :

“The Commons of Canada have voted certain Supplies required to enable the Government to defray the expenses of the Public Service.

“In the name of the Commons, I present to Your Excellency a Bill, intituled :—  
 “An Act for granting to His Majesty certain sums of money for the Public Service of the financial years ending, respectively, the 30th June, 1902, and the 30th June, 1903, to which I humbly request Your Excellency's assent.

To this Bill the Royal Assent was signified in the following words :—

“In His Majesty's name, His Excellency the Governor General thanks His Loyal Subjects, accepts their benevolence, and assents to this Bill.”

After which His Excellency was pleased to deliver the following Speech to both Houses :—

*Honourable Gentlemen of the Senate :*

*Gentlemen of the House of Commons :*

In relieving you from further attendance in Parliament, I desire to thank you for the care and attention given to your important duties.

The unusual number of Acts that have been passed incorporating industrial and railway companies may be taken as an evidence of the rapid progress that Canada is making in wealth and prosperity. Further proof of that satisfactory condition is afforded by the increase in the trade and revenue of the country.

It has been gratifying to note the unprecedented flow of immigrants from Europe and from the United States that are now seeking homes in Manitoba and in the North-west Territories. The rapidly increasing population in that fertile section of the Dominion must yearly add to the trade of the country.

The agreement entered into with the Canadian Pacific Railway Company, when authorizing an increase of its capital, to expend over Nine million dollars in providing additional rolling stock, will, it is hoped, materially diminish in the future the serious losses that have arisen from the insufficient supply of cars to carry the products of the West to Eastern ports.

The amendments made to the Manitoba Grain Act authorizing the farmers in Manitoba and in the North-west Territories to erect flat warehouses for storing their grain at railway stations will it is believed be found to serve a useful purpose, and defeat any attempt to depress prices by combinations.

The growing population in the Yukon territory and the rapid development in the trade of that section of Canada amply justify the Act granting to its residents a representative in Parliament who will be authorized to speak for his constituency in all matters affecting the more important interests of that remote part of the Dominion.

*Gentlemen of the House of Commons :*

I thank you in His Majesty's name for the liberal supplies you have granted for the Public Service.

*Honourable Gentlemen of the Senate :*

*Gentlemen of the House of Commons :*

In bidding you farewell, I desire to express the hope that when we meet next year we shall be able to again rejoice in the continued prosperity which now prevails over this wide Dominion.

Then the Honourable the Speaker of the Senate said :

*Honourable Gentlemen of the Senate :*

*Gentlemen of the House of Commons :*

It is His Excellency the Governor General's will and pleasure, that this Parliament be prorogued until Tuesday, the Twenty-fourth day of June next, to be here holden, and this Parliament is accordingly prorogued until Tuesday, the Twenty-fourth day of June next.
